**TO BE COMPLETED BY VOTER (PARA QUE EL VOTANTE LO LLENE)**  
I am a registered voter of this political subdivision and in the precinct in which I'm attempting to vote and have not already voted in this election (either in person or by mail). I am a resident of this political subdivision, have not been finally convicted of a felony or if a felon, I have completed all of my punishment including any term of incarceration, parole, supervision, period of probation, or I have been pardoned. I have not been determined by a final judgment of a court exercising probate jurisdiction to be totally mentally incapacitated or partially mentally incapacitated without the right to vote. I understand that giving false information under oath is a misdemeanor, and I understand that it is a felony of the 2nd degree to vote in an election for which I know I am not eligible.  
*Estoy inscrito como votante en esta subdivisión política. Yo en el precinto en el cual estoy intentando votar y aun no he votado en esta elección (en persona o por correo). Soy residente de esta subdivisión política, no he sido definitivamente declarado culpable de un delito grave o si soy el autor de un delito grave, he cumplido toda mi condena inclusive el período de encarcelamiento, la libertad condicional, la libertad supervisada, la libertad vigilada, o he sido indultado. No me han determinado por un juicio final de una corte de la legalización de un testamento, ser totalmente incapacitado mentalmente o parcialmente incapacitado sin el derecho de votar. Entiendo que dar información falsa bajo juramento es un delito menor y también entiendo que es un delito grave de 2er grado votar en una elección sabiendo que no cumplo con los requisitos necesarios.*
